

SAP CO Senior Consultant _ Hyderabad, India

Location – Hyderabad, India

Position - SAP CO Senior Consultant

Job Type - Contract

Job Length – 6 months

Skills Required

Customer is looking for a consultant in **Hyderabad, India** for the following.

1. Review and confirm the design for the CO module integration. Because the project is scheduled to go live in December 2011, this is an immediate need.
2. Provide knowledge transfer in the CO module functionality to the customer's India team.
3. Provide material ledger expertise and assist with activating in the near future, possibly Q1 2012. Because of the late stage of the project, the India team plans to go live using standard cost but subsequently wants to activate material ledger to value inventory at actual cost.
